

Bedtime beauty

With winter on its way, it's time to get cosy for bedtime. PJ Pan sells a stunning selection of women's luxury pyjamas - all made using only the finest cottons. Men's pyjamas, a range of bed socks and hot water bottles are all coming soon.

Choose from over 20 beautiful colourways with great attention to detail, with pretty vintage mother of pearl buttons.

All their pyjamas are available by mail order and on line. For further information please contact 0845 6588994 or visit www.pjpan.co.uk
